### Friday – Step 1

#### The Lifeboat Experience:

You will learn to put your past behind you and move on. You will be placed in a lifeboat and asked to define what you want people to remember about you and begin to write the script for your life. We will guide you in the process of defining your purpose and our guest speaker will share a life story you won't want to miss. In the evening we will ask you to begin to shape your Quest.

### Saturday – Step 2

#### Let Your Music Play:

Today you will be immersed into music and learn to let your own music play, to let the real you live, to be who you are. You will learn how to put together and follow a simple plan for your journey to your Quest while being inspired by a dynamic business leader. You will break a piece of wood meant to symbolize breaking the fear barrier. Then it is time to CELEBRATE the change and success of your journey.

## Find The Satisfaction That You Seek!!

Join Gary, The Firenze Strings  
and special guest speakers in  
this enriching experience. The  
session will provide a jump  
start on finding and fulfilling  
your life's purpose. Via a series  
of discussions, exercises and  
motivating activities you will  
discover your purpose then  
your Quest then chart your  
own personal path towards it.
